

THE ARMENIAN REVOLUTIONARY FEDERATION - EASTERN US PRESENTS **A PUBLIC FORUM**

Co-sponsored by The Armenian National Committees of NY/NJ, The Nation Institute, and CUNY's Center for Place, Culture, and Politics

THE NEW IMPERIALISM: OLD PROBLEMS NEW CHALLENGES

THE PREVAILING FORCE DRIVING WORLD AFFAIRS REMAINS THE DOMINATION OF SMALL COUNTRIES BY LARGE, POWERFUL INTERESTS. THIS IS MANIFESTED CURRENTLY THROUGH SUPERPOWER RIVALRIES ACROSS THE GLOBE, US-LED WARS IN IRAQ AND AFGHANISTAN, AND THE INCREASINGLY AGGRESSIVE AND EXPLOITATIVE NATURE OF CAPITALISM. THE PROGRAM'S THREE DISTINGUISHED SPEAKERS WILL ELUCIDATE THE STRUCTURE OF IMPERIALISM AS IT AFFECTS THE PEOPLE OF THE WORLD TODAY AND SUGGEST ALTERNATIVES FOR RESISTING IT.

FRIDAY MAY 30 @ 7:30PM

MASON HALL . BARUCH PERFORMING ARTS CENTER . 17 LEXINGTON AVENUE @ 23RD STREET NYC

free and open to the public
